

Uighur Action Alert

Call Your Senators Now! House Passed Uighur Bill: Congratulations.

Congratulations to all those who worked on the campaign to pass the House UIGHUR bill. Now we must get the Senate to pass the same bill.

This bill demands the administration list and sanction all Chinese leaders responsible for these atrocities and seize their assets. This bill specifically names Xinjiang leader Chen Quanguo for sanctions.

Take Two Actions Today

1. Call Your Senators TODAY and ask them to pass a stronger Uighur bill like the House UIGHUR Bill. Use our advocacy tool SaveUighur.com/Congress right now. You will find talking points on the screen.
Senator Ted Cruz 202-224-5922 @SenTedCruz @tedcruz
Senator John Cornyn 972-239-1310 @JohnCornyn
2. Once done, please call ten friends and relatives and ask them to call their Senators to do the same thing. We need to generate 10,000 calls over the next few days. Otherwise there will be no Uighur bill until next year.

You can also scan the QR code to be taken there directly.

- Once done, send them a tweet.
- Here is what you can tell them: "Considering the leaked Chinese papers about its policy of 'No Mercy' toward Uighurs, I would like the Senate to pass the stronger UIGHUR Act as passed by the House."
